When Uzma Irfan hosted an art auction on a pleasant Friday evening, it wasn't all about the artworks. The lady who is known for her classic style of doing things differently had a surprise for her guests. Amidst all the art-talk were the oohs! and aahs! from the guests who were admiring the luxurious Bentley parked by the pool. The Mulsanne was carted to Bangalore especially to be displayed during the auction and many a guest were also given a chance to get a touch and feel of the Bentley beauty.
