

Uzma Irfan

AS art auctions come, the Modern and Contemporary Indian Art auction that was recently held at ITC Windsor was as brilliant as it can get. Paintings that came under the hammer included the likes of FN Souza, SH Raza, Arpana Caur among others. The classy charity auction that was attended by Christel DeHaan and was put together by Uzma Irfan and Raj Bagaria. The private viewing of Bentley cars was the other highlight of the event.
